

Date: _____

Semester: _____

Senior Thesis
First Semester Final Report

Return this form to the Computer Science Undergraduate Program Advisor in ECOT 721 by the last day of finals.

Name: _____

Student number: _____

Email address: _____

Thesis title: _____

Advisor: _____

Date progress report was submitted to
faculty advisor for review: _____

Date progress report was submitted to
undergraduate program advisor: _____

I certify that I have reviewed the first semester senior thesis report (consulting with the student's committee if necessary) and

- I have determined that adequate progress is being made.
- I have determined that inadequate progress is being made.

Faculty Advisor's Signature

(Note: Failure to make adequate progress or receiving a grade lower than a B- for the first semester will prevent the student from continuing to use the senior thesis to fulfill their capstone requirement: <<http://www.cs.colorado.edu/ugrad/seniorthesis/>>. In these situations, please notify the chair of the undergraduate committee as well as the undergraduate advisor so they can meet with the student to review options.)
