

Id	Report	Demo	Total	Comments
18064	50	50	100	Good report and screencasts; project will live on past this semester
15259	50	50	100	Comprehensive report and good demo; liked use of web service and Android app
1436	50	50	100	Excellent report and demo; loved the ability for the prototype to work with multiple websites!
11213	40	48	88	Ambitious system, not fully developed; demo was not completely clear. Project report needed to be of much higher quality
15623	50	50	100	Excellent demo and report
1910	40	50	90	Demo was good; project report was of low quality
53855	40	50	90	Demo was good; project report was of low quality
10020	50	50	100	Good demo and report; interesting idea for semester project
61421	50	50	100	Very interesting idea for project; good design, execution, demo and report
62636	50	50	100	Comprehensive report and good demo; liked use of web service and Android app
21766	50	50	100	Nice start to a game; good demo and design; good final report
62481	50	50	100	Fun demo of a very ambitious system; good report that covered all the bases
96422	50	50	100	Excellent demo and good use of humor in the final report!
40124	50	50	100	Nice start to a game; good demo and design; good final report
99344	50	50	100	Nice start to a game; good demo and design; good final report
77187	50	50	100	Interesting game, demo and report; I liked how you brought elements of the game to the final report!
49830	50	50	100	Ambitious project, good demo, excellent report
39482	50	50	100	Good demo and report; interesting idea for semester project
37729	50	50	100	Excellent demo and report; Terrific use of color in the UML diagrams!
41505	50	50	100	Nice start to a game; good demo and design; good final report
63875	50	50	100	Good demo and report; entire team started as Android neophytes but produced complete, non-trivial app
88732	50	50	100	Great idea for a project, good demo and report
80619	45	40	85	Demo was not functional, screenshots supplied later too limited, report was incomplete (missing class diagrams)
86357	50	50	100	Excellent demo and report; Terrific use of color in the UML diagrams!
53650	50	50	100	Excellent screencast and final report
24964	50	50	100	Excellent demo and report
9488	50	50	100	Nice idea for a project, good implementation, excellent final report
80040	50	50	100	Ambitious project, good demo, excellent report
85488	50	50	100	How can you not like an app that tells you "Don't Panic!?" Great demo and report!
751	50	50	100	Good project implementing OO A&D design patterns in PHP producing a system that the team would like to contribute to the department
12321	50	50	100	Excellent demo and good use of humor in the final report!
85196	50	50	100	Good demo and report; entire team started as Android neophytes but produced complete, non-trivial app
26491	50	50	100	Excellent report and demo; loved the ability for the prototype to work with multiple websites!
77250	50	45	95	Demo was rough around the edges; good final report
77874	50	50	100	Great idea for a project, good demo and report
95221	50	50	100	Good demo and report; interesting idea for semester project
25436	50	50	100	Nice start to a game; good demo and design; good final report
54143	50	50	100	Good demo and report; entire team started as Android neophytes but produced complete, non-trivial app
34447	50	50	100	Good screencast and good report
28601	40	48	88	Ambitious system, not fully developed; demo was not completely clear. Project report needed to be of much higher quality
24705	50	50	100	Excellent demo and report; Terrific use of color in the UML diagrams!
49228	50	50	100	Great project, excellent demo; good report
68669	50	50	100	Bleeding edge project with high risk; good progress given what was attempted; good report
19993	50	50	100	Interesting game, demo and report; I liked how you brought elements of the game to the final report!
77345	50	50	100	Bleeding edge project with high risk; good progress given what was attempted; good report
51217	50	50	100	Excellent demo and report
16872	50	50	100	Bleeding edge project with high risk; good progress given what was attempted; good report
1911	50	50	100	Fine demo via screenshots given that hosting service went down! Good report with great lessons learned section
60611	50	50	100	Excellent web-app+android+ios project; good idea and good final report
32724	50	50	100	Great project, excellent demo; good report
38040	50	50	100	Interesting game, demo and report; I liked how you brought elements of the game to the final report!
21176	50	50	100	Good project implementing OO A&D design patterns in PHP producing a system that the team would like to contribute to the department
23893	50	50	100	Interesting game, demo and report; I liked how you brought elements of the game to the final report!
78608	50	50	100	Excellent demo and good use of humor in the final report!
961	50	50	100	How can you not like an app that tells you "Don't Panic!?" Great demo and report!

17076	50	50	100	Interesting game, demo and report; I liked how you brought elements of the game to the final report!				
12320	50	45	95	Demo was rough around the edges; good final report				
58434	50	50	100	Ambitious project that required student to learn a lot; excellent final report				
49370	0	0	0	Did not submit; Student disappeared on me				
98717	50	50	100	Great project, that will be incorporated into a larger research project; good final report				
72126	50	50	100	Nice idea for a project, good implementation, excellent final report				
22985	50	50	100	Good project implementing OO A&D design patterns in PHP producing a system that the team would like to contribute to the department				
46737	50	50	100	Very interesting idea for project; good design, execution, demo and report				
65330	40	48	88	Ambitious system, not fully developed; demo was not completely clear. Project report needed to be of much higher quality				
96738	50	50	100	Fun demo of a very ambitious system; good report that covered all the bases				
96483	50	50	100	Excellent demo and report				
14790	50	50	100	Excellent demo and report				
63325	45	40	85	Demo was not functional, screenshots supplied later too limited, report was incomplete (missing class diagrams)				
52269	50	50	100	Nice project and report; was able to see good growth in student's skills and knowledge across the project				
33563	50	50	100	Fun demo of a very ambitious system; good report that covered all the bases				
76696	40	50	90	Demo was good; project report was of low quality				
82235	50	50	100	Excellent demo and good use of humor in the final report!				
61329	50	50	100	Excellent demo and report				
47679	50	50	100	Great demo and excellent, comprehensive final report				
70916	50	50	100	Great demo and excellent, comprehensive final report				
85712	50	50	100	Good project implementing OO A&D design patterns in PHP producing a system that the team would like to contribute to the department				
97939	50	50	100	Good demo and report; interesting idea for semester project				
75190	50	50	100	Fun demo of a very ambitious system; good report that covered all the bases				
25322	50	50	100	Fun demo of a very ambitious system; good report that covered all the bases				
25453	50	50	100	Excellent web-app+android+ios project; good idea and good final report				
28780	50	50	100	Excellent demo and report				
30000	50	50	100	Excellent demo and report				
13649	40	48	88	Ambitious system, not fully developed; demo was not completely clear. Project report needed to be of much higher quality				
50302	50	50	100	Excellent web-app+android+ios project; good idea and good final report				
56984	50	50	100	Bleeding edge project with high risk; good progress given what was attempted; good report				
19800	50	50	100	Good demo given constraints and excellent final report				
63176	50	50	100	Excellent demo and report; Terrific use of color in the UML diagrams!				
49763	48	45	93	Project idea was good but implementation was incomplete; problem with one figure in report				
26375	50	50	100	Excellent web-app+android+ios project; good idea and good final report				
3644	50	50	100	Comprehensive report and good demo; liked use of web service and Android app				
59399	50	50	100	Very interesting idea for project; good design, execution, demo and report				
41004	50	50	100	Excellent demo and report; Terrific use of color in the UML diagrams!				
91339	50	50	100	Fun demo of a very ambitious system; good report that covered all the bases
