961	95	5		100	Excellent presentation of this OO topic. Excellent examples.
1436	95	5		100	Excellent coverage of framework and its history; good examples, good pointers to additional information
1911	95	5		100	Excellent coverage of the framework and good examples. Nice coverage of history and external references.
9488	95	5		100	Good coverage of this design technique
10020	95	5		100	Excellent introduction to this OO topic. Nice examples and references
13649	90	5		95	Good introduction to the topic, but needed better motivation and examples
14790	95	5		100	Good coverage of the framework and excellent examples
15623	95	5		100	Good coverage of the language
18064	95	0		95	Good coverage of the framework and excellent examples; no executive summary
19800	95	5		100	Good introduction of the language and nice section on the history of the language as well
24705	95	5		100	Excellent coverage of the framework and excellent examples throughout; good references at the end
24964	95	5		100	Good coverage of the framework
25322	95	0		95	good coverage of framework and history of framework; no executive summary
28780	95	5		100	Excellent introduction to this object-oriented design technique
30000	85	5		90	Presentation is not standalone, too many lists and statements of facts without interpretation of why it was included in the presentation
32724	95	5		100	Comprehensive coverage of the language
34447	95	5		100	Good coverage of framework and of the experimental results presented in the cited paper
41004	95	5		100	Excellent presentation on the framework with great examples and pointers to external resources
47679	95	5		100	Good coverage of the design patterns; good pointers to external refs
49228	95	5	-15	85	Good coverage of the framework
49763	85	1		86	Presentation is not standalone, executive summary submitted late
52269	95	5		100	Nice coverage of language, lots of examples, good screencast
53650	95	5		100	Extensive coverage of framework, lots of good examples
58434	95	5		100	Excellent exploration of the topic and its history; excellent examples
60611	95	5		100	Excellent coverage of the framework and excellent examples throughout; good references at the end
61329	95	5		100	Excellent presentation of this OO topic. Excellent examples.
62636	95	5		100	Excellent, comprehensive coverage of the framework, great examples
63176	95	5		100	Nice introduction to the framework and good examples
65330	95	5		100	Excellent screencast; good coverage of the technique
70916	95	5		100	Excellent presentation on language and the analysis it enables; excellent screencast
72126	95	5		100	Extensive coverage of framework, lots of good examples
77187	95	5		100	Nice coverage of the framework and its history; good examples
80040	95	5	-15	85	Good coverage of the object-like features of this language
85488	95	5		100	Good introduction to the language; nice section on history as well as the use of the language in industry
86357	95	5		100	Excellent coverage of framework and its history; good examples, good pointers to additional information
95221	95	5		100	Solid introduction to the techniques, good examples, subtle humor
96483	95	5		100	Extensive coverage of framework, lots of good examples
98717	95	5		100	Nice coverage of framework with several good examples
